Trapeze "Flyer" explains Bond Issue.

The Bond Issue, voted on November 2. . . .

On Saturday, November 2, 1957, after much campaigning, the Oak Park and River Forest High School $2,000,000 Bond Issue was passed. This Bond Issue has to do with the remodeling of the North wing of the high school. The modernization is to include a new girls' gym, new library, new lunchroom, new Industrial Arts area, new Art rooms, and other new classrooms.

Tabula Staff has taken advantage of the Bond Issue by making Tabula's theme pertain to the future of our school buildings. The cover design suggests the blueprints used in modernizing, and the architects' sketches of the new sections appear on division pages throughout the book.

Tabula Staff has tried to make this year's Tabula "the greatest." We hope that you'll enjoy it and will remember 1957-58 as the year of the Bond Issue!

Sincerely,
Tabula Staff

. . . Freshman Meets Senior.

Proudly and Affectionately

We Dedicate Our Book . . .

With a great deal of pride, we, the class of '58, dedicate our book to a man whose name has become synonymous with the spirit and tradition of our school. In his thirty-five years at Oak Park and River Forest High School, Mr. George Seymour has come to number among his friends the thousands of boys and girls that he helped guide through this institution.

Mr. Seymour came to this school in 1923, after receiving his Bachelor of Science degree at the University of Minnesota and having taught in several high schools. He was a member of the Business Department for twenty-five years and acted as head of the department for a good part of that time. Then, in 1948, Mr. Seymour became Dean of Freshman Boys.

The part that Mr. Seymour has played in shaping the characters of those with whom he has come in contact is one that is truly appreciated. The friendly atmosphere that he establishes in his office is but one reason that "his boys" are quick to place trust in him. In his own purposeful way, Mr. Seymour diligently studies each boy's problems with that person's interests uppermost in his mind. His calm and easy-going manner, together with a constant willingness to give generously of his time, have commanded him the respect, admiration, and friendship of all his students.

Thank you, Mr. Seymour.

Mr. Seymour welcomes his Freshmen.

Dr. Kenneth W. Lund.

Dr. Lund Comes to Our School . . .

The Oak Park and River Forest High School is impressive in the sincerity and devotion of its faculty and students to the cause of learning. There is a pride in accomplishment and a deep conviction about the importance of using opportunities wisely. This is a heritage that has been developed through the efforts of parents, teachers, and students working together.

Even though there is a high level of accomplishment on the part of our students, there is still evidence of much enjoyment and good humor. Frequent amusing incidents contribute to the fun of being together, and daily contacts in the classroom give proof of the deep understanding and appreciation between students and faculty. Numerous activities reflect the enthusiasm of our young people, for the calendar is crowded with plays, clubs, musical programs, and athletic events which offer opportunities to all for participation and spectator enjoyment. In this respect our school serves the needs of young people and provides an effective atmosphere for living and growing together.

This has been a year of new experiences for me, but one I have enjoyed to the utmost. Working closely with new people whom I have come to know and appreciate, I look forward to widening and deepening many friendships in the years ahead.

Kenneth W. Lund

. . . As Our Superintendent

Dr. Kenneth W. Lund, chief administrator of our school, is a man of wide educational experience. He has taught mathematics, Naval Science and Tactics, and Secondary School Organization and Administration at several high schools and colleges here in this area.

In 1952 Dr. Lund was appointed to the directorship of the Bureau of Child Study in the Chicago Public Schools, and he became Director of Pupil Guidance in 1954. Before he came here, Dr. Lund was the First Administrative Assistant to the General Superintendent of the Chicago Public Schools.

Many professional associations, including the American Association of School Administrators, the American Personnel and Guidance Association, and the American Psychological Association, have his name on their membership lists.

Church and family play important roles in Dr. Lund's life. He and Mrs. Lund have four children, all of whom are of school age. The Lunds are active in the United Lutheran Church of Oak Park.

We, the students, are proud to have such a man as the superintendent of our school. It is a pleasure for us to hear him speak, to see him in the halls at school, and to know that he's behind us all the way!

Board of Education

BACK ROW—Mr. Donald L. Vetter, Mr. Elmer J. Schmutzer, Mr. Russell A. Graham, Mr. A. Radford Barton. FRONT ROW—Mr. Arthur R. Cahill, Mr. John C. Donaker, Mrs. Earl G. Jacobsen.

The men and women elected to the Board of Education set policies for our school and make major decisions. The needs of Oak Park and River Forest High School are as numerous and widely diversified as in any other large organization, and the Board members must consider all questions carefully in order to be sure that the high school that they serve is kept as effective as possible.

Board members help to maintain the fine reputation of our school by giving their time not only to plan for the present, but also to look ahead to the future so that our school can continue to be maintained as a good place of learning and a credit to the communities of Oak Park and River Forest.

Our Deans

Eight deans, one each year for the girls and one for the boys, guide students through four years of courses and activities at Oak Park and River Forest High School.

The entering Freshmen, with the help of Miss Pring and Mr. Seymour, learn what they should expect from their school and what their school in turn expects from them. As members of the Sophomore Class, the underclassmen have conferences with Miss Ball and Mr. Fuog in order to understand what they must do to prepare themselves to be good upperclassmen. The Junior Deans, Miss Lane and Mr. Cady, administer a testing program that helps to show students where their talents lie. Finally, the Senior Deans, Miss Horner and Mr. Fritzemeier, help everyone in the graduating class to make college and vocational plans. Mr. Sohne finds work for students from all classes through the Placement Bureau.

It is the deans who prepare the students to face the years ahead with new enthusiasm and confidence.

Business Staff

Mr. G. Alvin Wilson, Assistant Superintendent, Business Administration, has spent a good part of this year planning for the future. Over his desk go all blueprints for the new building made possible by the Bond Issue, and all contracts related to this building.

The day-by-day business of the school also centers on the Business Office. Here maintenance is managed, supplies are ordered, and money matters are taken care of.

This Spring the Business Office had the additional responsibility of arranging for supplies and equipment to be moved into temporary quarters for "the duration" of the building and remodeling program.

Miss Dorothy Babcock, Assistant in Business Administration, works with Mr. Wilson in managing the activities of the department.

The English Department

English, which is required for four years, offers interesting and varied opportunities to the student. During the Freshman, Sophomore, and Junior years, the English Department stresses language skills, composition, and good literature. During the Senior year, the student may choose from electives that include English Literature, English Readings, Expository Writing, Creative Writing, Journalism, Senior Composition, and Public Speaking.

Besides the regular courses, the English Department offers special classes for slower pupils and accelerated classes for advanced students.

The Mathematics Department

During the past few years an increasing demand for leaders has developed in the field of mathematics. Oak Park's Mathematics Department, headed by Mr. Van Dyke, is doing its part to meet this demand by providing as good training as possible.

The aim of the department is to give adequate mathematical preparation for college. The whole program takes into consideration the fact that many students at our school will take more mathematics than is required for graduation. Because of this, the Mathematics Department offers an accelerated course.

The accelerated course includes Plane and Solid Geometry in the Sophomore year, and College Algebra and Trigonometry during the Junior year. In the Senior year students may take additional study in College Algebra, plus Analytical Geometry and the Calculus.

Some of the other courses offered in Mathematics include Plane Geometry, Advanced Algebra, Solid Geometry, Trigonometry, and College Algebra.

The History Department

For graduation it is required that all students take at least two units of history and social studies. Everyone must take American History. The usual plan is to complete this requirement by taking World History. Other courses in the History Department are Sociology, Latin American History, Early European History, Modern History, Social Problems, and Civics. These subjects give the students major sequences and provide them with useful knowledge of social studies.

The courses of the History Department, headed by Mr. Roehm, are designed to help the students understand the problems of today by studying the problems of the past. The study of current events and the study of the operation of our government are two important parts of the History Department program.

The Foreign Language Department

The Foreign Language Department offers an interesting study of four languages: Latin, German, French, and Spanish. In the first two years emphasis is placed on pronunciation and comprehension. Courses also cover the study of native songs, history, and customs. Class work includes the reading of novels, poems, essays, and short stories in the language being studied, especially in advanced classes.

Accelerated courses are offered in both Spanish and French. The students in the accelerated courses concentrate on vocabulary and grammar more than in the regular third or fourth year classes.

To make all courses more fun and more practical, the language classes publish the Linguapolitan, a magazine written by the students.

The Department of Biological Science

The purpose of the Biological Science Department, headed by Mr. McMenamin, is to develop an understanding of the science of living things.

Every student must take the semester course of Freshman Science, and is also required to take a unit of either Biological or Physical Science.

Biology, Botany, Zoology, and Personal Psychology are the available Biological Sciences. In Biology the students study all living things; in Botany they study plant life; and in Zoology they focus their attention on animal life. Both Botany and Zoology are college-level courses. Personal Psychology, a semester course, is open only to Seniors.

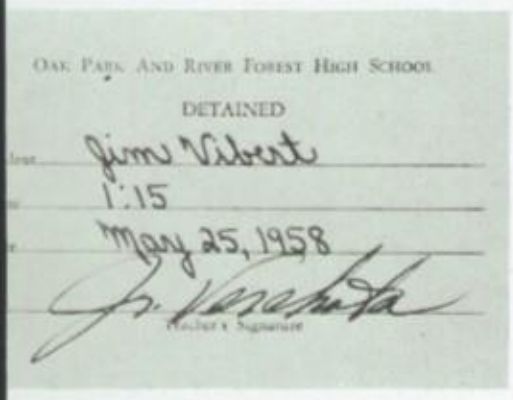
The Department of Physical Science

What's it doing?



In the past few years the Physical Science Department, headed by Mr. Gocker, has become increasingly important. Today's world has surrounded us with mechanization, electronics, radiation, rockets, satellites, and atomic energy. To make an intelligent adjustment to such an environment requires some understanding of the basic laws and principles that underlie these scientific phenomena.

The courses offered in the Physical Science Department are designed to give the student a better understanding of the physical aspects of modern everyday living. The upper level courses in Chemistry and Physics will also provide a good foundation for those who wish to continue with work in the field of science in college.

Home Economics

The aim of the Home Economics Department, headed by Miss Magowan, is to prepare girls for the future planning of a home. The department offers a wide variety of courses in Clothing, Foods, and Home Management.

In the Clothing classes girls not only learn how to make clothes, but also how to select and care for them.

The three Foods courses emphasize the preparation and serving of meals as well as the health value of foods. Foods III puts a good deal of emphasis on the budget of "food money."

The Home Management course is open to Juniors and Seniors only. This course considers family relations, finances, home nursing, and child care.

What's it going to be?

Industrial Arts Department

Industrial Arts is the study of industry, including its materials, tools, machines, processes, products, and occupations. In this day and age of mass production all boys should profit from having some knowledge of the workings of industry.

The Industrial Arts Department, headed by Mr. Owens, offers many varied courses, including Industrial Arts I and II, Advanced Metal, Machine Shop, Auto Shop, Advanced Woodworking, Architectural Drawing, and Metal Arts. Metal Arts and Jewelry are open to both boys and girls.

The Department of Business Education

The Business Education Department, headed by Mr. Hepker, provides vocational training in business for all students who wish to become secretaries, typists, bookkeepers, or general office employees. Shorthand, Typing, Secretarial Training, Office Practice, and Bookkeeping are offered on a semester basis.

Introductory courses in Economics, and Business Law are available to students who want to major in Business Administration in college.

The Business Education courses often prove valuable to students for personal use. Typing, for example, is a skill important in many phases of life. General Business, Economic Problems, and Bookkeeping are subjects that have also proved practical for many students.

The School Library contains a wide selection of reading and reference material. This includes 20,-431 books, plus a large assortment of magazines and pamphlets. The librarians, Miss Crawford and Mrs. Scherman, give class instruction on the use of libraries, prepare bibliographies, and help individual students with reference work.

Besides the main library, which contains books, pamphlets, and periodicals, there is a history library in Room 225. Here all American History students have at least one study hall per day.

A student library staff of 34 students assists the librarians in both the main and the history library.

The Music Department, headed by Mr. Little, offers a wide variety of musical instruction. General Music, which is open to Freshmen and Sophomores, includes something of musical history and literature. Those who wish to continue may go on to Harmony and Music Literature classes. Here they study the fundamentals of four-part writing.

In the Instrumental Instruction class, Freshmen and Sophomores receive instruction in strings and some of the wind instruments as preparation for membership in orchestra and band.

The traditional Christmas and Spring Concerts demonstrate the work of the choral and instrumental groups, and of the soloists who have been picked to perform.

The Art Department

The Art Department, headed by Mr. Pelz, provides creative activities which include Crafts, Figure Drawing, Sculpture, Painting, and Advanced Design. The Crafts, Sculpture, and Advanced Design classes work with materials such as plaster, leather, cardboard, and wire.

Students of the Advanced Design classes created the set for the Girls' Club Play, "Time Out For Ginger." They also designed the sets for the operetta, "Gondoliers," and for the Senior Class Play. Other Art classes worked on the stage production by painting sets for the different performances. In addition, the activities of the Art Department included making posters and bids for the conferences and dances, and illustrating Crest.

In Physical Education, a required subject taken for four years, the Boys' Physical Education Department sponsors nineteen different activities. First Aid is offered as an option to the Senior athletes and must be taken by the rest of the Senior boys.

Intramural athletics, the second level of physical participation, provides an opportunity for the boys to compete in activities learned in gym classes.

Interscholastic competition provides the third level of Boys' Physical Education. Each year the boys take part in Football, Soccer, Cross Country, Swimming, Basketball, Wrestling, Indoor and Outdoor Track, Baseball, and Tennis. Awards are given for both intramural and interscholastic athletic success.

The Girls' Physical Education Department has a two-fold purpose. The first is to help every girl to attain better health and physical fitness. The second is to teach the girls to play and engage in team and individual sports, both now and for later life.

In order to accomplish these purposes, Physical Education classes are required of all girls. Also, intramural, individual, and team sports are offered for recreational purposes after school. Tennis and archery make up the interscholastic program.

Atalanta, the girls' athletic association, is sponsored by the Physical Education Department to stimulate interest in girls' sports.

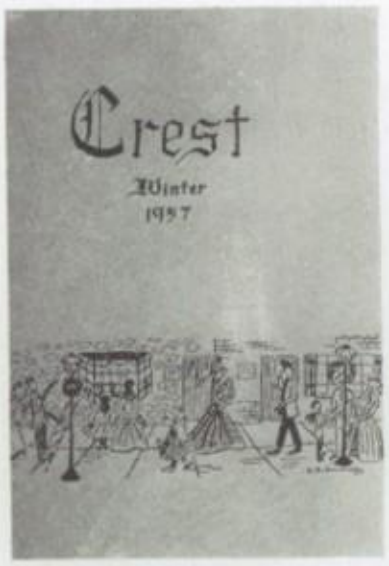
Advisers

Miss Wetteroth, Mrs. Soroka, Mr. Baker, and Miss Geller confer.

Linguapolitan, published twice each year with selections in each of four languages, is the newest publication at Oak Park and River Forest High School. Sponsored by the Foreign Language Department, "Lingua" contains stories, poems, and puzzles in French, Spanish, Latin, and German. A good balance is maintained to include articles from the different languages and years. In this way Linguapolitan presents interesting and challenging reading to all language students. Fine art work also adds to the publication.

The staff advisers are Mr. Baker, Miss Geller, Mrs. Soroka, and Miss Wetteroth.

BACK ROW—Krakower, Johnson, Rost, Berkland. FRONT ROW—K. Mathews, J. Matthews, Zimmerman.



Crest

Crest, the literary magazine at Oak Park and River Forest High School, is published twice each year. Stories, poems, and numerous other manuscripts are submitted to the three staffs, and the material is judged for theme, over-all effect, style, and originality. Drawings, sketches, and attractive cover designs are provided by students from the Art Department.

The three Crest staffs meet during sixth and seventh periods. The Junior-Senior Staff is under the direction of Mr. Rakow, while Miss Bane and Mrs. Scherman are the advisers of the Sophomore and Freshman Staffs, respectively.

Photography

The Photography Staff, under the direction of Mr. Lane and Mr. Rehkopf, works sixth and seventh periods every day and almost every night after school and is responsible for the pictures in both Tabula and Trapeze. Mr. Schneider was adviser for the first semester.

The Staff members learn to handle cameras effectively, and they study important aspects of lighting and posing a picture. Developing, printing, and enlarging are the other skills that staff members acquire.

Gondoliers Arrive

On Friday, February 28, and Saturday, March 1, the A Cappella Choir and Symphony Orchestra, under the direction of Miss Wood, Mr. Little, Miss Miller, and Mr. Cooke, presented the Gilbert and Sullivan operetta, "The Gondoliers." In this operetta, two gondoliers become interim kings of Barataria until a question of identity is cleared up. One of the two seems destined to become the husband of two wives, but everything ends happily in a gay song and dance.

The annual Gilbert and Sullivan operetta has become a traditional occasion at Oak Park and River Forest High School. The Choir and Orchestra perform on two consecutive nights to give a very colorful and entertaining show. This year carried on the tradition in the best manner.

"Naughty temper!"

"We're called Gondoliers."

"Here we are at the risk of our lives!"

"Such fascinating and irresistible young ladies!"

Students skilled in playing a band instrument have a chance to use their talents in the Concert Band. Our band serves a double purpose. In the fall, under the direction of Mr. Riebman, it is the Marching Band that we enjoy so much at all the home football games. After the football season is over, the organization divides into the Concert Band, under the direction of Mr. Kratky, and the Reserve Band directed by Mr. Riebman.

These groups perform in two combined concerts each year. Also, the Concert Band plays at the Gym Demonstration and at all the home basketball games.

Two orchestras play an important part in the Music Department at our school. Interested students become members of the Reserve Orchestra, under the direction of Mr. Little and Mr. Kratky, and then, as their ability becomes more advanced, they move to the Symphony Orchestra, which is directed by Mr. Little.

The orchestras present two combined concerts each year. In addition, the Symphony Orchestra plays for the operetta, the Christmas Choral Concert, and the Christmas Vespers. Also, it provides mood and intermission music for the Girls' Club Show and the Senior Class Play.

Girls' Choir is an advanced group of Sophomore, Junior, and Senior girls selected from the Freshmen and Festival Choruses. Under Miss Wood's direction they sing in the Choral Concerts as a separate group and with the combined choruses. Every year they also make Girls' Conference more enjoyable by singing at the Sunday Service.

This year, with A Cappella, Boys' Choir, and several ensembles, Girls' Choir took part in an hour-long program of Christmas music over the radio during the week after Christmas.

The most advanced group in our school is A Cappella Choir, which includes Juniors and Seniors selected from the various other choirs. Under Miss Wood's direction, this group performs for the Christmas and Spring Concerts, the Easter Sunrise Service, and the Memorial Day Assembly. A Cappella Choir also makes up the cast and chorus of the annual Operetta and presents the Christmas Vespers.

This year A Cappella was honored by an invitation to sing for a meeting of the American High School Conference in October at the Conrad Hilton Hotel, where they gave an outstanding example of the best in choral music at Oak Park and River Forest High School.

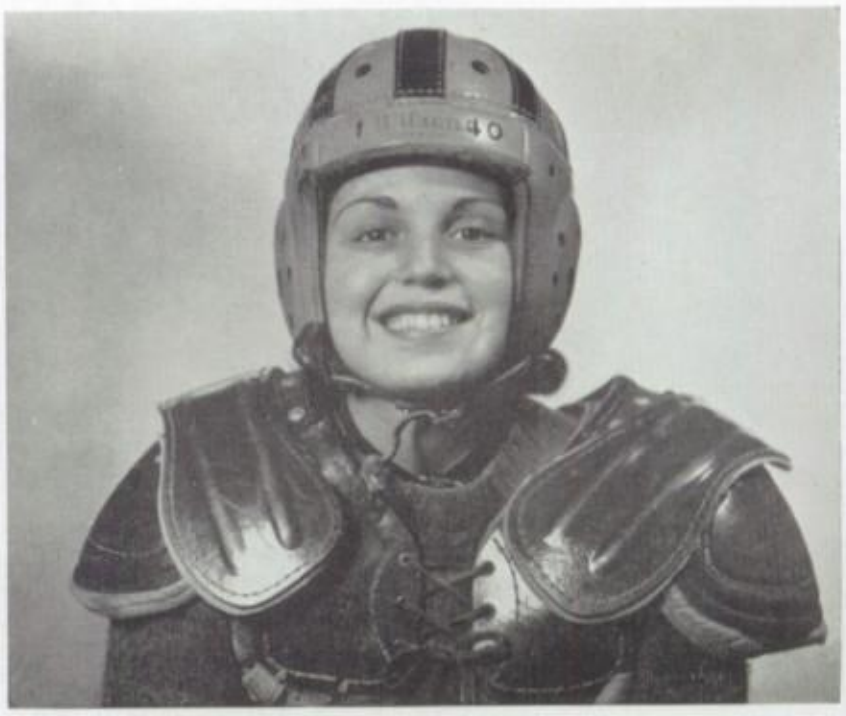
The Year



Ginger plays football.

Mr. Cooke, director.

Although Dramatics is not a regular subject in the curriculum of our school, it plays an important part in school life. Two main productions were presented by the Dramatic Organization this year—the Girls' Club Show, "Time Out For Ginger," and the Senior Class Play, "The Taming of the Shrew."

Interested students tried out for the plays which were well cast. There were also many workers never seen by the audience who helped make these shows the successes that they were. These committee members, backstage workers, and faculty advisers, as well as the casts, deserve applause for the way they kept the dramatic standards of Oak Park at the top.

Lighting adds to productions.

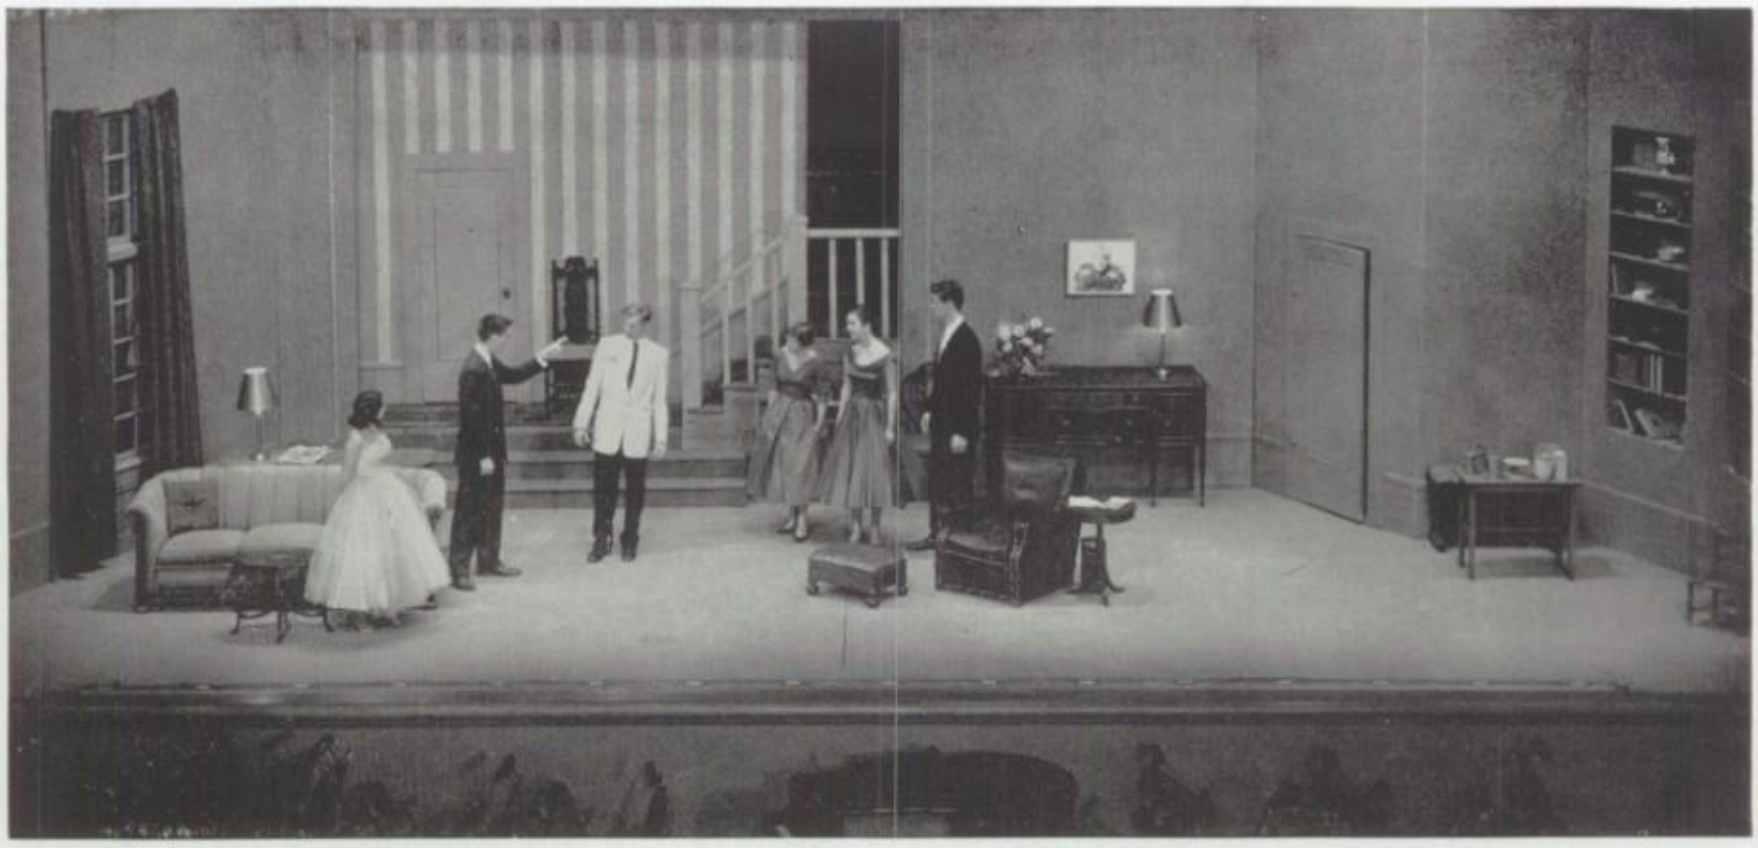
The success of any stage performance depends a lot on the work that is done behind the scenes by the Stage Crew. This organization builds the sets and works the lights, curtain, and sound effects.

This year one of the major problems for the Stage Crew was the construction of a moving gondola for the operetta, "The Gondoliers." The Stage Crew also built sets for the Girls' Club Show, the Dance Demonstration, and the Senior Class Play. Another feat accomplished by the crew was "making snow" to add to the charm of the Christmas Concert.

A stage plan receives attention.



"And from now on, this girl can do whatever she wants to do."

'Time Out for Ginger'

"Time Out For Ginger," by Ronald Alexander, was presented under the direction of Miss Miller as the Girls' Club show on November 1 and 2. This hilarious comedy tells the story of a family of three daughters, the youngest of whom, Ginger, presents quite a problem to her family and friends when she decides to play football in school. She disturbs her father's position at the bank and her sisters' social standing at school.

Everyone enjoyed this play, which was a complete success, thanks to the hard work of everyone concerned.

"This is a social problem."

Senior Class Presents . . .

'The Taming of the Shrew'

The Senior Class Play, an important event in the school calendar, is performed on two consecutive nights in the spring, this year on May 2 and May 3.

The Senior Class of 1958 presented the Shakespearean comedy, "The Taming of the Shrew," directed by Mr. Radford. Stage setting and costumes were patterned after the style of the Shakespearean era. The cast of the play and all the committee members were Seniors.

The famous story of how Katharina is "tamed" by her husband, Petruchio, was presented by a wonderful cast and was enjoyed immensely by everyone who saw it.

Special Events

Assemblies

Both the assemblies and Community Lectures presented at Oak Park and River Forest High School rank among the highlights of the year. They offer diversified and educational programs to be enjoyed by all.

Early in the year each class was greeted by Dr. Lund. The Sophomores enjoyed an assembly on electronics presented by Mr. C. E. Jones. The first Girls' Club assembly and a special History assembly were also part of the program. The Monogram Assembly highlighted the month of November, and in December a Christmas program for each class, and the Girls' Club Christmas assembly, put everyone in a festive mood.

With the beginning of the new year, Juniors put emphasis on college plans. Scholarship was honored at the annual Scholarship Assembly. The Monogram Assembly, a Girls' Club assembly, a Safety Council assembly, and the traditional Memorial Day ceremonies rounded out a year of enjoyable and educational programs.

Mr. Vagher demonstrates fission.

Community Lectures

Many students also attended the Oak Park Community Lectures this year. They enjoyed a fine program that included stars of the stage, documentary screen, and the lecture hall. Julien Bryan, a world traveler and documentary film artist, began the lectures by speaking on "Moskow to Samarkand." Laurence Gould, the president of Carleton College, presented "Antarctica —World Storehouse or Pandora's Box?" A spirited literary critic, Virgilia Peterson, discussed the question, "Does Literature Reflect the World We Live In?" and Fred Sparks, a former Chicago Daily News reporter, spoke as a "journeying journalist" on Communism in the world today. Marion Mill Preminger, aide to Albert Schweitzer, discussed "Africa Slightly Out of Focus," and to round out the first section of the series, the brilliant news analyst Ernest K. Lindley talked on "Washington Tides."

With the start of the new year came Alec Templeton, the popular pianist, composer, and keyboard wit, who entertained a fascinated audience with "It's Always Templeton Time." Perhaps the greatest detective in the world, Robert Fabian, presented "The Secrets of Scotland Yard," and the series was brought to a close by playwright Eddie Dowling's outstanding discussion, "From Shakespeare to Saroyan."

Boys were challenged with the theme "I Dare You" at the three sessions of Boys' Conference held on November 9, 10, and 11. Friday evening Mr. Frank Steiger "dared" the boys to live a better life mentally and socially, while on Saturday Mr. Johnny Klippstein presented the challenge of living a physically strong life. Sunday afternoon Dr. Charles Noble "dared" the boys to handle their lives "as unto God."

Mr. Cady and Mr. Shrode worked with the boys to produce a successful and inspirational conference that was enjoyed by all.

Girls' Conference

A theme of praise, "With Heart and Hand and Voice," was evident throughout the forty-first annual Girls' Conference held on November 8, 9, and 10. The inspirational program was made possible by the work of many girls under the direction of Mrs. Sutherland, Mrs. Synnerdahl, and the conference officers.

Friday night Rev. Henry Lewis spoke on "Who Has Your Heart?" and Saturday he asked "What's in Your Hand?" Dr. Kenneth Hildebrand spoke on "Awareness" at the Sunday afternoon session.

. . . Future in the Sky

At the dawn of an age of satellites and space travel, a growing curiosity exists about our universe and the new discoveries which may some day enable us to travel into space. This is especially true in the minds of youth, whose futures will be most influenced by new discoveries.

In accordance with this interest, "Future in the Sky" was selected as the theme of this year's Conference on International Affairs, held on February 9 and 10. The program, planned by the conference officers under the direction of Mr. Buske, featured a banquet-forum session held on Saturday evening and a forum Sunday afternoon. The speakers were Dr. I. M. Levitt, who discussed "Paths into Space," and Mr. Arthur Clarke, who spoke on "New Worlds."

Science Clubs

Three Science Clubs are offered to students in the four classes. They are Freshman Science Club for the Freshmen, Biology Club for the Sophomores and Juniors, and Physical Science Club for the Juniors and Seniors. Interested students have a chance to learn more about their favorite field of science through the movies, speakers, and other programs presented. Several of the clubs plan a field trip and a picnic once or twice a year for added pleasure.

Debating Clubs

The five Debating Clubs, made up of Juniors and Seniors, offer excellent opportunity for practice in speaking before groups. In addition to gaining experience in debating and in listening to debates, a member of one of these clubs acquires a practical knowledge of parliamentary law and learns how to conduct an orderly discussion.

A typical meeting consists of a debate, an oration, and a law drill. For the lighter side of the meeting, extemporaneous speeches are sometimes given.

Drama Clubs

Drama clubs offer an opportunity for students to present and enjoy plays. For the many students interested in this field, three clubs are provided: Masqueraders for the Sophomores, Footlights for the Juniors and Seniors, and Property Crew for those interested in backstage activity.

Students gain excellent training in acting, directing, make-up, and stage techniques. The experience in dramatics acquired in these clubs gives pleasure and develops insight into the exciting life behind the footlights.

Hobby Clubs

The purpose of the six Hobby Clubs is twofold. First, they help interested students start a hobby. Second, club meetings provide a place at which more experienced pupils can get together for the purpose of furthering common interests.

Boys' and Girls' Camera Clubs teach the members the basic elements of photography. People who enjoy stimulating mental recreation enjoy membership in Chess Club. Those who like model railroads and "ham" radio receive training in Railroad and Radio Clubs. Students interested in service work may participate in the Junior Red Cross Club.

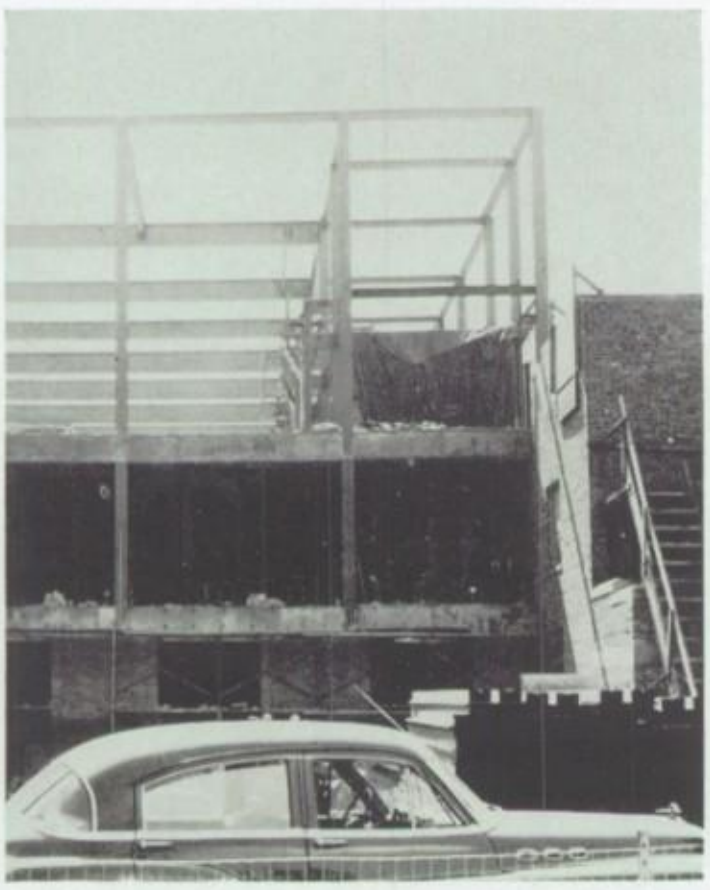
New Gym Is Finished in January



Girls' Gym Grows

This year the girls' gym, enlarged and remodeled, was put to use during the second semester. The first floor has a new classroom and a rest room. On the second floor the improvements include another locker room remodeled from an old classroom and the Dance Studio, which was enlarged.

The third floor is completely new with two large gyms—one for apparatus, and the other for speed-a-way, softball, and basketball. Also on the third floor are a new faculty office, and a storage room that will be used to hold the Atalanta files.

The new apparatus includes a trampoline, flying and traveling rings, a horse, a horizontal ladder, ropes, and mats.

Girls Play Hockey

Hockey is one of the most popular sports offered in the fall. In the first weeks the girls learn how to start the game by a bully, and to pass, dribble, and shoot for a goal. The rest of the time is spent in gaining skills by actually playing the game.

Open hockey was offered almost every night after school this fall. The annual class tournament was held at the end of the first quarter. Because of a tie this year, eighth and tenth periods are co-champions.

Swimming is offered during the whole year by the Girls' Physical Education Department. Life Saving, and synchronized and beginning swimming are given during different quarters. Every girl must take at least one quarter of swimming a year, and in order to graduate she must pass the beginner's swimming test.

This year a new Monday-afternoon group, under the direction of Miss Meister, presented a Swimming Show on February 4, 7, and 13. The theme was "A Typical Day." The girls chose their own music and worked out their routines for a show that proved to be a great success.

The Girls' Swimming Team, which is also under the coaching of Miss Meister, began working for the Annual Telegraphic Meet in February. The girls met on Monday nights and were also expected to practice one other night during the week.

Tennis was offered during the fall and spring of this year. Beginning tennis, given during the fall, teaches the basic principles of the game. The girls learn to hit the ball, both forehand and backhand, to serve, and to score. Advanced tennis, given during the spring, is offered to those who play fairly well. This fall open tennis was offered two nights a week.

The Girls' Tennis Team, directed by Miss Rudolph, is for the girls who are really interested in tennis and play well. Try-outs are held in the fall and spring. After six weeks on the squad, the girls become members of the team and are eligible to play in the matches held against other schools during the fall and spring. Because of bad weather this fall, only two matches were played. The team won one and lost one.

In basketball, offered during the third quarter this year, the girls learned the rules of the game, how to guard, and how to shoot. This year in an inter-class tournament, third period was the winning team.

During the second quarter basketball was offered after school. A tournament was played between the classes. If a girl came out six times, she was eligible to be on the team. This year the Senior class had the winning team.

Softball

When a girl takes Team Sports in the Spring, she is sure to play softball. Softball skills and sportsmanship are stressed in the classes. Many exciting games are played.

Softball is also offered after school during the Spring. The large number of girls who come out after school is proof of the popularity of the game.

Stunts and Tumbling, and Apparatus

This year two new classes were offered—Stunts and Tumbling, and Apparatus. In Stunts and Tumbling, the girls learned balances, rolls, pyramids, cartwheels, and headstands.

Apparatus proved to be equally popular. Equipment includes a trampoline, flying rings, ropes, traveling rings, a horizontal ladder, and a leather horse. In these classes the girls learned to assist and spot as well as to perform on the equipment.

Speed-a-way

Speed-a-way is given during the fourth quarter in combination with softball. The game is a combination of football, soccer, speedball, hockey, and basketball. Each class works to learn the rules and to get a good team together to play in the after school tournament.

Dance

Three types of dance were offered this year.

Square dancing and folk dancing were given during the second quarter. The girls worked hard and presented their dances at the Gym Demonstration. The colorful costumes worn by the girls added gaiety to the program.

Modern Dance was given during the third quarter. The girls demonstrated their skills during half of the Dance Production held on March 7.

Girls enjoy Folk Dancing.

Rhythmical Exercises

Rhythmical exercises was a class offered during the second quarter. The girls learned exercises and then developed routines which they set to music and presented to their classmates. From these, a routine was worked up which was presented at the Gym Demonstration.

The posture classes are similar, although they emphasize individual exercises for the girl's own posture problems rather than group exercises.

One, two—Kick, and fling!

Volleyball

Volleyball is a team sport which the girls could take during the first quarter. This year was unusual because the girls played outside. Playing as a team was stressed in the classes.

It was also offered as an after school sport. A new rule of only one hit per person was tried and the girls seemed to like it as it made the game much faster.

On March 7 the Dance Demonstration was presented under the direction of Miss Gaines and Miss Morrison. The theme of the show demonstrated movement experiences. During the first half, the classes did such things as swings, slides, hops, jumps, and prances.

The second half of the program was put on by the after-school dance group, a new organization under the direction of Miss Gaines. The girls worked out dances that demonstrated advanced techniques in the field of Contemporary Dance.

Atalanta Members Meet with Mothers

Mothers and daughters enjoy Christmas Tea.

This year the Atalanta Mothers' Tea was held on Tuesday, December 17, after school in the girls' gym. On arriving, the mothers were served punch and cookies. A short business meeting was held, followed by entertainment. Those girls who had earned twenty-four points were initiated during the meeting.

Twice a year, at the Mothers' Tea and at the Spring Banquet, awards are presented to the members who have earned the required number of points. There are four such awards: first and second local, and first and second state. A girl earns two points for every night that she participates in an after-school activity. However, in order to have the points count, the candidate must go out for one activity at least six times. Before receiving the award, each girl must pass a posture test given by the Physical Education teachers. This year eleven girls received awards at the Mothers' Tea.

Officers

SECOND ROW—Joslyn, Peacock, Bennet, Skiles. FRONT ROW—Nelson, Boehm, Cavanaugh.

Every spring, after a hectic week of campaigning, the Atalanta officers for the next year are voted on. Then at the annual Spring Banquet, the retiring officers announce the new. The 1957-1958 officers are as follows: Kathy Cavanaugh, president; Nancy Boehm, vice-president; Nancy Nelson, secretary; Ginny Peacock, treasurer; Margaret Skiles, publicity chairman; Sue Bennett, social chairman; Barb Joslyn, sports' chairman; and Nancy Shinn, dance representative.

The officers meet to plan the monthly club meetings, the Football Dance, the Mothers' Tea, the Dad-Daughter night, the banquet, and the various playdays. The adviser for the club, Miss Meister, the Physical Education Department, the officers, and the members all work hard to keep this club active and interesting.

November 23 was the date of this year's Football Dance. After hours of hard work by Atalanta members, the fieldhouse was transformed into a Chinese pagoda. The bandstand was framed by two huge dragons. Panels with Chinese figures were used on two other walls, and the west wall was hung with hundreds of strings of beads.

Every couple received a rickshaw as a favor. The music was supplied by Buddy Mars and his band.

Gym Demonstration

The Gym Demonstration, which is put on by both the Girls' and Boys' Physical Education Departments, was given on January 23 this year. The purpose of the Demonstration is to show some of the activities which the boys and girls practice in their various classes in Physical Education. Over 2,000 students participated this year.

The boys showed tumbling, calisthenics, various track activities, wrestling, and games.

The girls demonstrated their skill in folk dancing, square dancing, rhythmical exercises, and marching. A new group, tumbling, was added this year.

SECOND ROW—Richardson (capt.), Minkey, Laadt, Fuog. FRONT ROW—Deckert, Anderson, Sola.

This year the first all-girls cheerleading squad, which practiced twice a week, did much to stimulate the enthusiasm of the crowds at the football and basketball games. The Pep Rallies also helped to interest more people in attending the games.

Miss Morrison of the Girls' Physical Education Department was the faculty adviser to the cheerleaders. Try-outs for the squads were held last spring, and fifteen girls were picked to serve on the two squads. Karen Richardson, a Senior, was the captain of the seven Varsity Cheerleaders, and Georgia Steffens was chosen captain of the Sophomore squad.

Football

A strong air attack carried our Huskies to a fourth-place finish in the Suburban League this fall. Under the tutelage of Mr. Wehrli, the Orange and Blue battled it out in some of the toughest competition seen locally in recent years. As it was, Oak Park's fourth place brought the team close to Evanston, Waukegan, and New Trier, all tied for first place.

The team featured a number of outstanding players who caught the eyes of rival coaches. This was shown by the post-season honors given to some of our Huskies. Jim Pappas, our greatest end in recent years, was elected to the first-string All-state team. Scott Damiani was given honorable mention, and Jeff Fort received special mention from the All-state selectors. Earlier, Pappas, Damiani, and Bob Hutchison had been selected for the first-string All-suburban team, and Bob Swank and Jeff Fort for the second-string.

A driving attack and a stalwart defense gave this year's soccer team a record of eight wins, two defeats, and one tie. The team regained the Suburban Championship from Morton High with three victories and one tie. Eight of this year's team were Sophomores and Juniors who should give next year's team the drive needed for another fine season.

Hans Proft, and co-captains Paul Cady and Dave Marron, were chosen to the all-state team, and Gerhard Grote and Bob Reed were elected to the second team. Those who gained honorable mention were Charles Allen and David Loving. This represents one of the finest state showings in several years.

Cross Country

Our Varsity Cross Country team, hit hard by illnesses early in the year, finished the season with only a fair, four-won, six-lost record.

The season featured wins over Waukegan, Niles, Austin, and Highland Park. Losses to Morton, La Grange, Hinsdale, New Trier, Proviso, and Evanston marred the record, but did not destroy the spirit of a team that was never "out," even when "down."

Led by the efforts of co-captains George Pallas and Erwin Schmidt, the Harriers finished sixth in the League meet. In the District meet, the team did not place and therefore was not represented in the finals at Champaign.

The Sophomore team enjoyed a 5-5 season, and several future stars seem on the way.

Basketball

The Varsity basketball team ran into some tough opposition this year and had to fight hard for its fourth-place finish in the Suburban League. Led by co-captains Marty Lillig and Jeff Fort, the Huskies finished behind the League Champions, Proviso, Evanston, and Morton. A tremendous winning effort against the strong Evanston team, and a close game with Highland Park, highlighted the season on the home court this year.

The team was somewhat less successful outside of the League, as it posted a one-won, three-lost record in preseason and Christmas holiday games. In the Regional Tournament Coach Kinert's Huskies trounced Immaculate Conception of Elmhurst, before being turned back by a strong York squad.

This year several Juniors broke into the starting lineup, and gained experience that should prove valuable next year. Junior forward Bill Tomb was the team's top scorer, and the fifth leading scorer in the Suburban League. Tomb, along with guards George Ludington and Bob Reed, center Bill Rantis, and forward Russ Graves, will no doubt form the nucleus of a strong squad next year.

Track

This year's track team really had it on the ball. The thinclads were undefeated for eight straight meets, including the Chicago Invitational, the West Suburbs, and the League Indoor meet.

The team wound up the season with some bad breaks, but was able to take fourth place in the Oak Park Relays. Bloom took the honors in the class A meet. In the relays, the Oak Park team of Pallas, Woyke, Schmidt, and Levy set a new Oak Park and River Forest High School record in the 16-lap relay. Also this year, Don Patten set a new record in the low hurdles.

Bud butterflies.

Led by several outstanding swimmers, this year's swimming team turned in a record of ten wins and four defeats. This was good enough to give Oak Park a fourth place in a strong Suburban League.

This year's swimmers dropped a total of six records and sent one man to the state finals. John Munday broke the oldest record in the 100-yard freestyle, and Bud Voelkner and Peter Stelton bettered their own records in the 100-yard butterfly and the 150 yard individual medley, respectively. Roy Pinchot and Chuck Balch both set records in two new events, the 400-yard freestyle and the 100-yard breaststroke. The record breakers in the 200 yard medley relay were Peter Stelton, Steve Cahill, Bud Voelkner, and John Munday.

SECOND ROW—Polerecky, Sweet, Jochim, Kinzer, Andrews, Fleckner, Gruba, Whistler, Parillo, Maypole. FRONT ROW—Malone, Wollenberg, Meyers, Krug, LaVallee, Marron, Harootunian, Nicolai, Shay.

This year's Oak Park matmen compiled a more impressive record than any previous team, finishing the season with seven wins and seven losses. Even more important was the development of some outstanding individual performers for the Huskies.

In tournament competition the grapplers, led by co-captains Karlo Harootunian and Dave Marron, took six medals in the Proviso district meet, and at the Reavis sectional tourney they won four. Karlo Harootunian then continued to the state tournament, where he gained a fourth in the 127 pound class, becoming the first Oak Park wrestler to place in the state.

With nine returning lettermen and a growing interest in the sport, Oak Park's prospects in wrestling next year seem excellent.

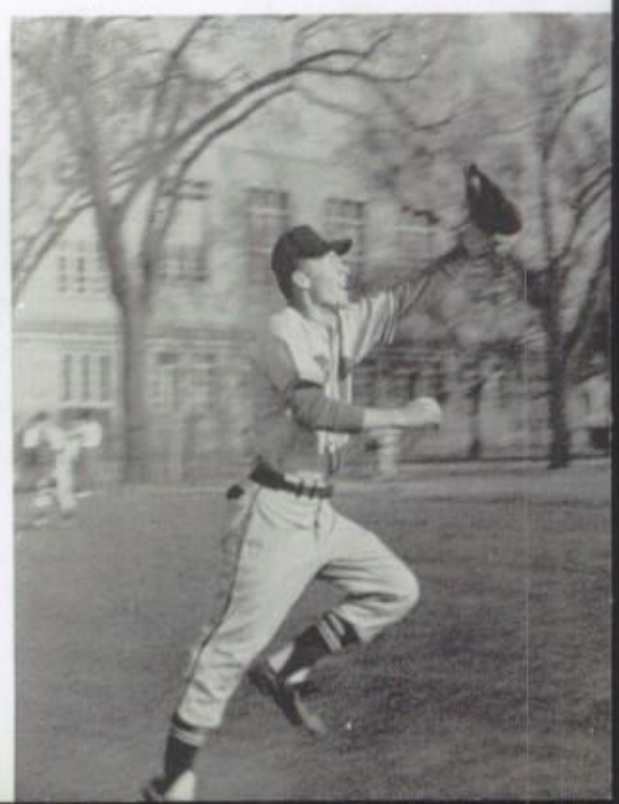
BACK ROW—Rice, Tomb, Reed, Sumner, Kadon, Palmer, Halac. SECOND ROW—Glascock (mgr.), Penn, Schoof, Hunter, Lillig, Kessman, Schmitendorf, Ludington, Larsen (mgr.). FRONT ROW—Swift (mgr.), Sisco, Vasey, Marini, Whisler, Gordon, Staehle, Silvestri, Julian (mgr.).

Limited only by inexperience, the Varsity baseball team looks forward to winning its share of games in the tough Suburban League this spring. Coach Kaiser will rely mainly on underclassmen for his starting lineup, as he has only two major letter winners, Juniors Bill Tomb and Bill Vasey, and three minor letter winners, Seniors Marty Lillig, Bill Hunter, and Jack Ladd, returning from last year's team. If some of the less experienced players are able to fill in at key positions, the season should turn out to be successful or, at least exciting.

Marty spears a liner.



Cold day for doubles.

Tennis

With the loss of his top-flight players through graduation, Coach Witsman is faced with the prospect of rebuilding his tennis team this year. The nucleus of this year's "Racketeers" will include Sophomore, Don Christianson; Juniors, Bill Giddings, Pat Gloor, Dave Loving, Dick Hill, and Tom Wile; and Seniors, Paul Brayman, Wally Nielson, and Jack VanKannel.

Although the team may be short on experience, it will be long on depth and spirit, and can be counted on to uphold the tradition of fine tennis that Oak Park is known for.

Golf

Fortified by the return of five lettermen, Bill Keller, Jeff Fort, Eric Gislason, Bob Swank, and Bud Gardiner, the golf team looks forward to a successful season this spring. Under the tutelage of Mr. Wehrli, the team practices and holds its home matches at the Oak Park Country Club. Although the team does not boast any one outstanding player, as it has in recent years, the consistency of the team as a whole may be depended upon to win its meets.

New on the Suburban League scene this year is a Sophomore division, allowing underclass golfers to compete on their own level and gain valuable experience.

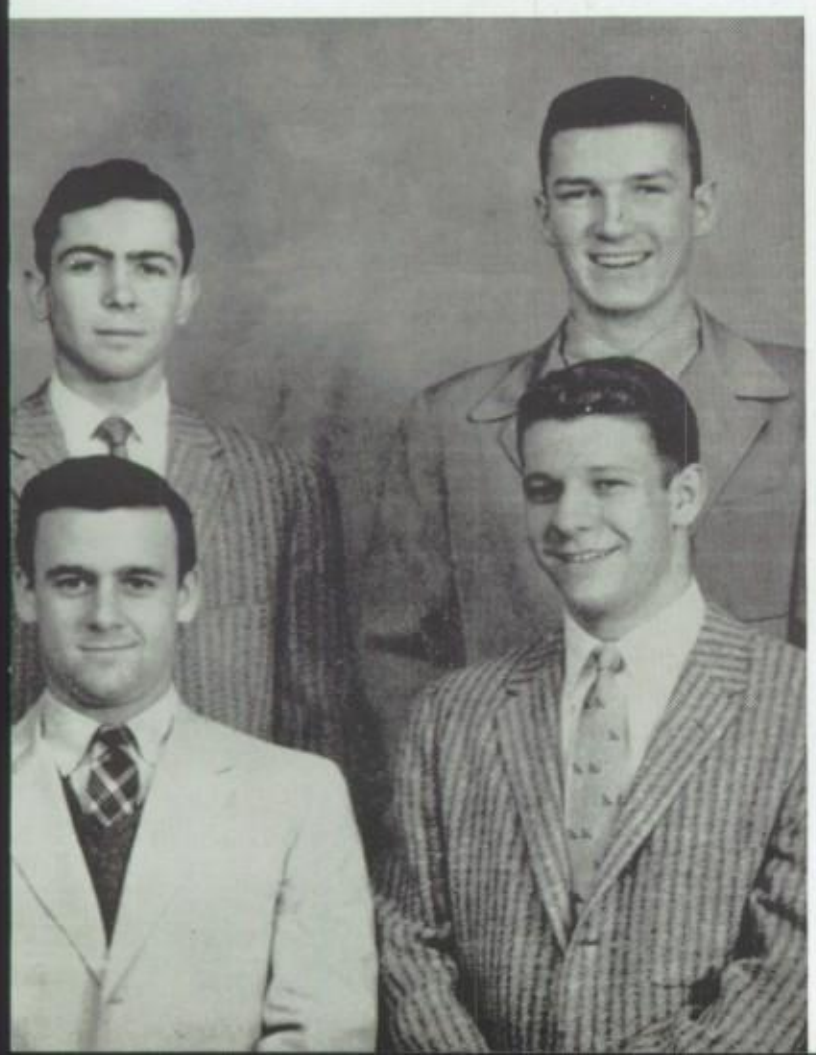
Monogram Club

Monogram winner and fan.

Monogram Club includes those athletes who have earned their major monograms. The activities of the club are under the supervision of Mr. Anderson, the director of the Boys' Physical Education Department. Those activities include giving the Monogram Dance for the award winners, running the concession stands at the games, and ushering at all the school's athletic contests. Some of the other activities of the club include promoting order at school, emphasizing school spirit among the spectators at games, and stressing sportsmanship among the athletes.

The officers of this year's club are Mike Williams, president; John Garofalo, vice-president; Dennis Barile, secretary-treasurer; and Jeff Fort, Sergeant-at-arms.



BACK ROW—Barile, Fort,
FRONT ROW—Williams, Garofalo.

Underclass Sports

The majority of the members on the Varsity squads at Oak Park and River Forest High "get their start" and training on one or more of the underclass teams. Without these teams, a beginning athlete would not have the opportunity of practicing with a team or of using the fine facilities available here.

For sports that depend on team co-operation, individual practice alone does not allow a boy to learn team responsibility or team sportsmanship. The underclass sports program encourages athletes to go into interscholastic competition, which develops school and team loyalty.

This program gives students an opportunity to develop school spirit and class unity. Underclass sports are an important school function.

Intramural Sports

The boys' intramural sports program, under the supervision of Mr. Scott and Mr. Verchota, is set up so that boys receive the beneficial effects of exercise while enjoying their favorite sport. After school, boys are able to participate in sports for fun, and at the same time they get some much-needed exercise and improve their muscular development and co-ordination. Boys who are interested in trying out for an interscholastic squad may improve their skills in the sport by taking advantage of the intramural program. Also, boys who are on interscholastic squads for a good part of the year often find that intramurals help them to keep in shape when they transfer back to gym.

All in all, thirteen different sports are offered in the intramural program at various times of the year. In the fall the program consists of tennis, touch football, and swimming. In the winter months wrestling, track and field, and basketball are featured. In the spring the program includes waterpolo, free swimming, golf, badminton, ping pong, volleyball, and softball. With such a wide choice available, every boy can find a sport in which he can have the fun and exercise he wants.

The managers play an important part in the sports program of our school. The activities of the group are carried out under the supervision of Mr. Tony Padula. It is the job the managers to keep track of all equipment and to see that all the uniforms and equipment are kept cleaned.

Another important task of the managers is to administer elementary first aid for any of the minor injuries of the athletes.

These are but a few of the many services performed by the managers.

Student Council, including representatives from each of the four classes, is the primary governing body of our student government. With Dr. Kenneth Lund as adviser, the council meets every other Wednesday throughout the school year to discuss matters of importance in the improvement of our school.

This year the council's primary project was the "Sock Hops," school dances held in the fieldhouse after home basketball games with music supplied by either a student band or a juke box.

Safety Council is an organized group of upperclass students formed to make our school a safer place by enforcement of the safety rules all through the school year. Safety Council is divided into eight committees, all under the direction of Mr. Russell Storey.

Each committee has a specific responsibility related to school safety. Halls Committee patrols the halls; the Bicycle Committee keeps the bikes in the correct place; Driving Council checks for driving offenses; Signs Committee places the road signs; Program and Publicity Committees report Safety Council's various activities and keep students informed about safety; Accident Prevention Committee works to prevent accidents in school; and Secretarial Committee does Safety Council's typing, recording, and filing. Each group has a Chairman who represents his group in discussions of present and future policies.

Smoking Council Enforces Rules

Smoking Council is the only branch of school government that functions without faculty supervision. Members watch for violations of smoking regulations in the school area, at the athletic events, and on the school buses.

The smoking rules have been basically the same throughout the many years of the council's existence. Smoking is prohibited in or near the school on school days or during athletic events. The primary purpose of Smoking Council is to require good conduct and maintain the reputation of the school.

Junior and Senior boys who are considered capable and worthy by their classmates are chosen to carry out the responsibilities of Smoking Council.

Staff member fixes film.

Projection Staff, under the supervision of Mr. Park, is made up of a group of boys organized for the purpose of showing films which are supplementary to courses such as English, History, Science, Home Economics, and Industrial Arts. A staff member is available to show films any period of the day in either room 42 or room 235.

The members of Projection Staff have various other jobs, among which are caring for films, cameras, and other necessary equipment. One credit towards graduation is received by any Projection Staff member who spends two years on the staff.

Girls' Club, which includes in its membership the entire feminine population of the student body, is governed by five officers and a council under the direction of Miss Horner.

Girls' Club plans and makes arrangements for Sophomore and Junior Girls' Parties, sponsors Girls' Club Shows, and, from the Tag Day money, gives a Christmas Party for the children at the Chicago Commons. Also, the officers and council members participate in Suburban Girls' Conferences and help in the planning of Homecoming.

Girls' Service Committee is a permanent committee of Girls' Club. The five divisions of this committee are as follows:—noon duty, literary, library and lunchroom, equipment, and special services committees.

The Freshmen enter high school anticipating many new experiences that soon become realities. At the end of the year they will be able to remember the first-day excitement, new locks and lockers, the first homeroom, buying books, and the "Yearling." Their Big Brother and Sister will have told them a great deal about high school life, and by June the Freshmen will be well started on the high school work and activity.

At the beginning of second semester Freshmen elect a Council on which each homeroom is represented. The deans, Miss Pring and Mr. Seymour, work with the Freshmen Council to help the Freshmen to become better students and citizens.

Carolie Whiteway
Dave Lundy

Miss Lane, Dean of Junior Girls, and Mr. Cady, Dean of Junior Boys, plan and execute an extensive testing program offered to all interested Junior students. Under the careful guidance of the deans, the results of these tests are gone over individually with each Junior. This helps the students decide upon college or vocational plans.

The Junior officers are directed in their many activities by Miss Lane and Mr. Cady. John Brown, the president, has done well in leading the Junior Class. Tom Sumner, the vice-president, has worked closely with John in successfully carrying out the Junior program. Carolie Whiteway was the competent secretary, and David Lundy made an efficient treasurer.

The direction and good advice that the Juniors receive make them capable of assuming the responsibility and leadership of the school in their Senior year.

FOURTH ROW—Loving, Gloor, Sisco, Bartels, Greenup, Parrillo, LeGere, Weisenberger. THIRD ROW—Vasey, Schultz, Hill, Rice, Irmis, Aiken, Houston, Schutt, Tomb. SECOND ROW—Nass, McLaren, Cangelosi, Conley, Ehlert, Priest, Boling, Moorshead, Kraft, Williams, Strening, Rydell, Anderson. FRONT ROW—Lundy (treas.), Whiteway (sec.), Brown (pres.), Sumner (v. pres.).

The Junior Council includes representatives from each Junior homeroom, the Junior members of Student Council, and the Junior Class officers. The Junior Council helps in the distribution of class rings, which is a big event in the Junior year.

One of the main responsibilities of the Junior Council is the organization and committee co-ordination for the Junior Prom. "Moments to Remember" was the theme of this year's Junior Prom held on Saturday, April 19. As usual, the Prom was given in honor of the Senior Class.

Marty, Meredith, and Dave choose their class rings.

. . . of '58

The Seniors are guided by Miss Ruth Horner and Mr. Louis Fritzemeier, their deans, who help them to select a college and to make vocational plans.

The Senior Council is composed of the officers of the Senior Class and representatives from each Senior homeroom. Its projects center mainly on graduation activities, which include Class Day, Baccalaureate, and Commencement.

Miss Horner and Mr. Fritzemeier, Senior deans.

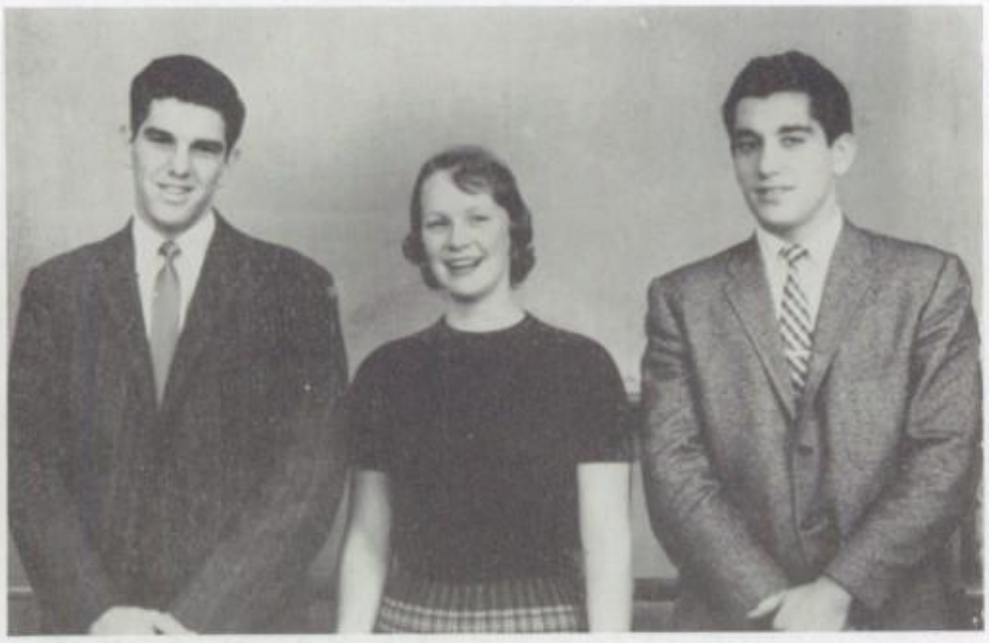
Scholarship Cup Winners



James Pappas, Kathryn Cavanaugh, Paul Javaras.

The class of 1958 has many outstanding students. At the annual Scholarship Assembly, Dr. Lund announced that there are sixteen members of the class with averages higher than that of the lowest Cup winner —93.4. This is an unusually fine record. Heading these sixteen students was Jim Pappas, who claimed the Cup with the average of 96.4. Kathy Cavanaugh was second with 95.5, and Paul Javaras third with 95.3.

Commencement Speakers

Cady, Matthews, Cavanaugh, Pappas.

The class of 1958 is looking forward to outstanding Commencement speeches by Jim Pappas, Kathy Cavanaugh, Paul Cady and Jean Matthews. Jim Pappas is automatically a speaker because he won the Scholarship Cup, and the other three speakers were chosen by faculty vote.

Senior Leaders Help Guide Freshmen

Each Freshman homeroom has a Big Brother and Sister to advise that group throughout the year. This year the Big Brothers and Sisters helped the Freshmen in such matters as learning methods of study, joining clubs, and formulating four-year programs. They also talked on the importance of school spirit and explained that Freshmen should participate in, or attend, as many of the school events and athletic contests as possible.

The faculty advisers to the Big Brothers and Sisters are Miss Pring and Mr. Seymour, the deans of the Freshman class. They were of great assistance in planning each of the visits to the homerooms.

Nancy Tollkuehn and Peter Lovell talk with Freshman homeroom.

Four Years . . .

As we walk down the aisle at graduation and receive our diplomas, we cannot help but look back on our years at Oak Park and River Forest High School and remember the wonderful events which were a part of them.

Will we ever forget the first bewildering day of Freshman year? Pep rallies, our first football game . . . The inspiring Girls' and Boys' Conferences . . . "Mikado," "Milestones," and "Beggar on Horseback" were the productions that year . . . Yes, Freshman year was one of making new friends and gathering experience.

Sophomore year we were "old hands" at the game. How proud we were of the "Fourth in State" basketball team and our new girl cheerleaders! We attended the operetta, "H.M.S. Pinafore," and the two plays, "Arsenic and Old Lace," and "Mrs. McThing." Our second year passed all too quickly.

At last we were upperclassmen and began taking on greater responsibilities in our studies and activities. "Mr. Pickwick," "Double Door," and "Ruddigore" made up the theatrical year . . . The first Homecoming Dance was given, and the memorable Junior Prom . . . We resolved to make the last year better than ever and felt vaguely nostalgic . . .

Senior year already? Leading the school, we found, was both fun and a responsibility . . . We remember the election of class officers . . . The productions this year were "Time Out for Ginger," "Gondoliers," and "The Taming of the Shrew" . . . The Bond Issue for school improvements was passed . . . Now in a few days we will take our places in the graduation picture. Then the future is ours . . .

Sign To Start SAVING

Warning signs should be put up when your luck is good and clear sailing seems to be ahead. In good times, prepare for the inevitable period when emergencies and financial difficulties arise. Your savings account, started now, may then put you over the "hump". Regular deposits, plus good interest, make accounts grow faster than you think.

Congratulations to the class of '58!
For many, many years that we like to remember,
we have extended our good wishes to
graduating classes . . . have had the pleasure of
serving a large number of its members as
each has found his niche in this community.
Gilmore's is proud to be a part of the community
. . . we've watched it grow and have grown
with it. Just as you have ideals for its future,
we hope to continue to serve it well in the years
that lie ahead.
